Table
of
Contents

*The Senior Class of 1980
would like to co-dedicate
Triumph '80 to two fine
people —*

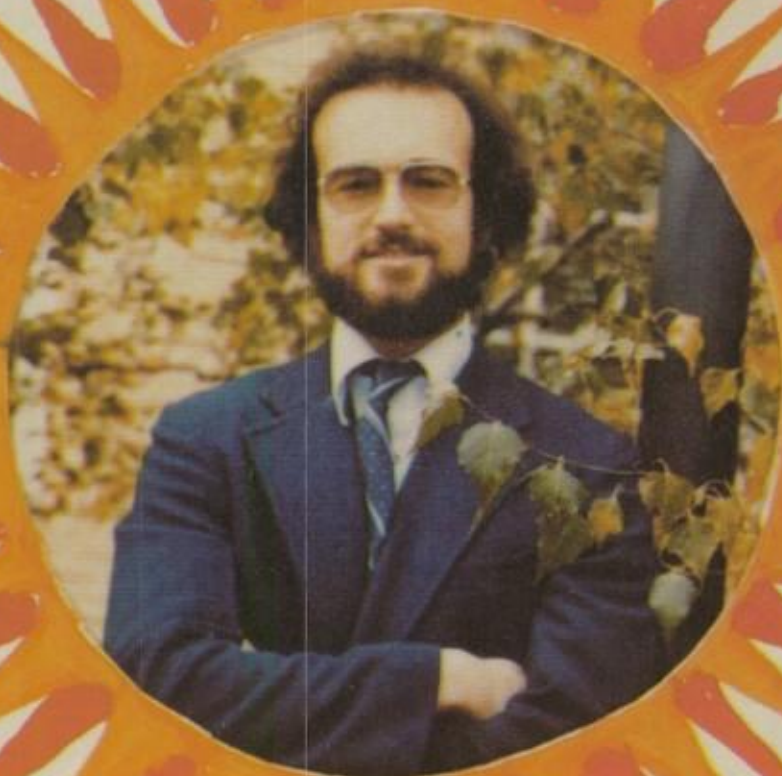

*— To Mrs. Snyder for
her longstanding
friendship, loyalty,
and counseling to the
student body at
Tamarac.*

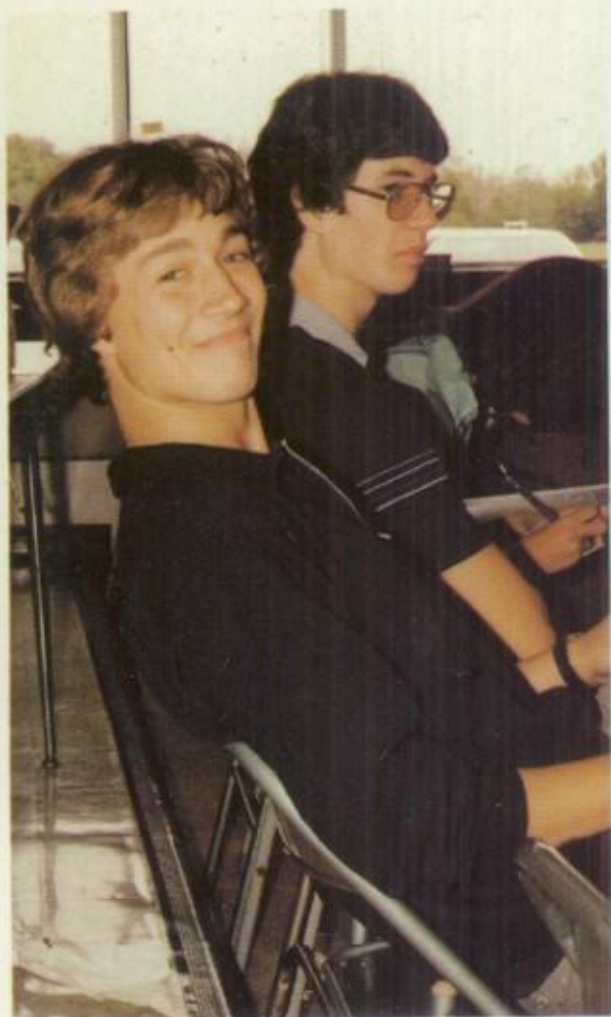

DEDICATION

*— To Mr. Corr for his three
years of hard work and
determination as class
advisor making our
years at Tamarac High
School a success.*

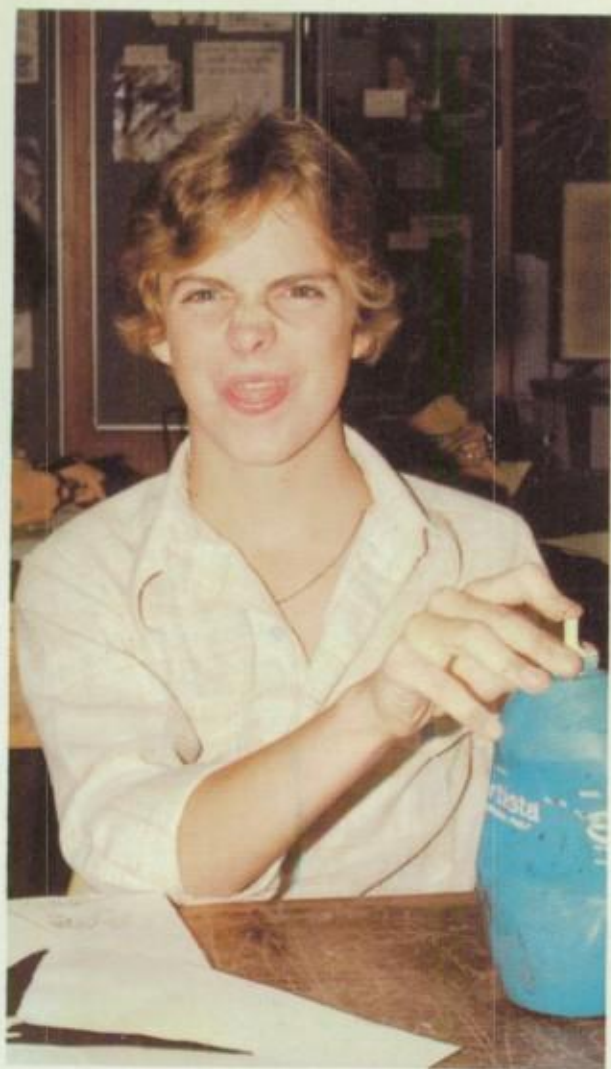

*Again we would like to
thank these two
respected and admired
people.*

*Memories light the
corners of my mind,
misty water-colored
memories of the way
we were.*

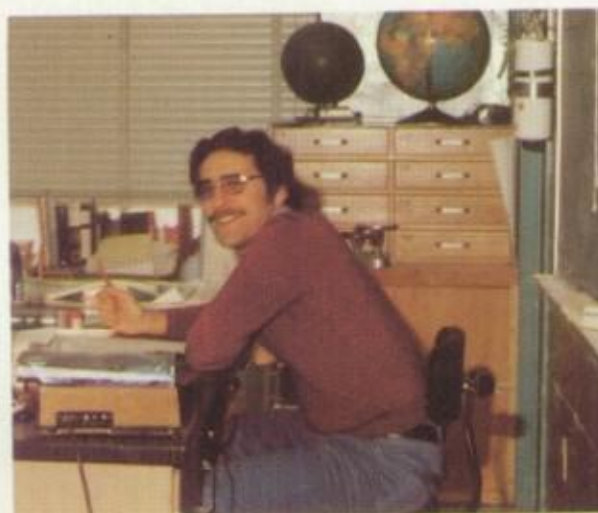

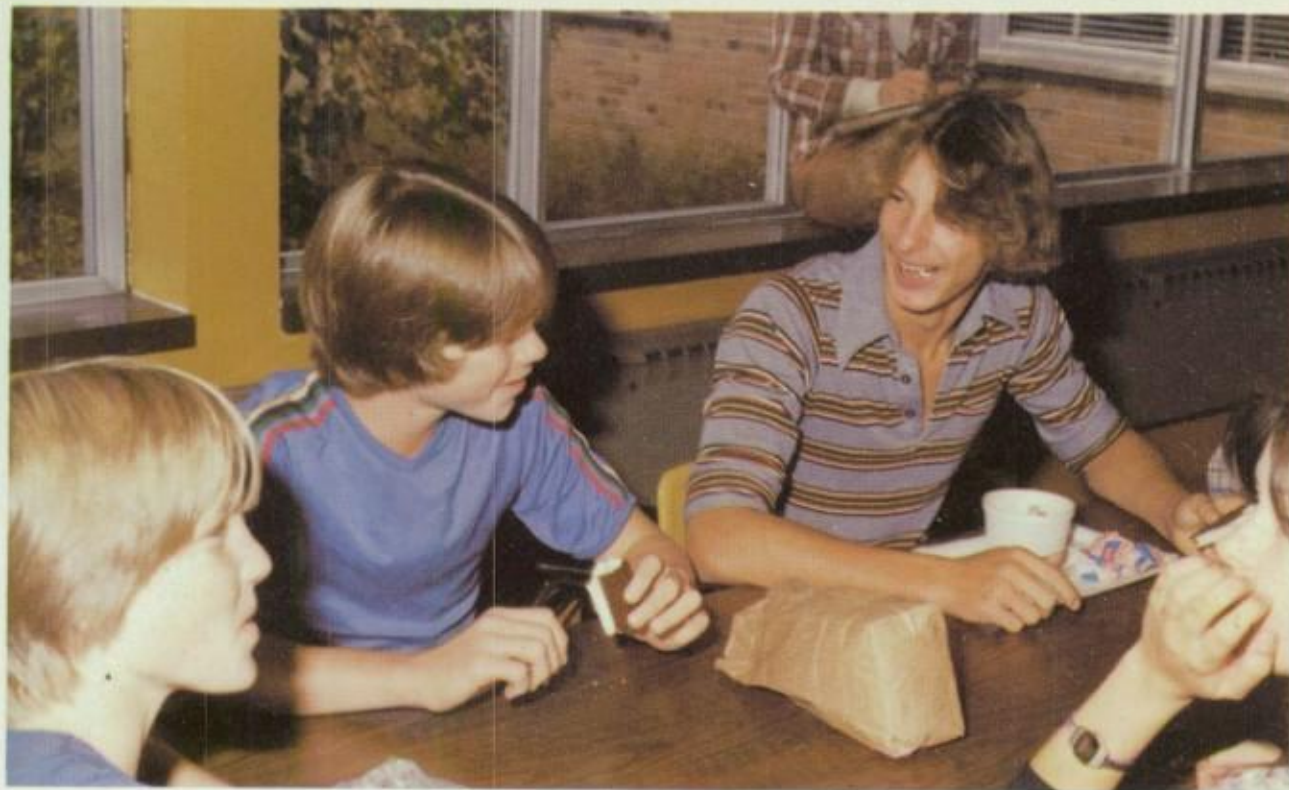

Scattered pictures, of the smiles we left behind,

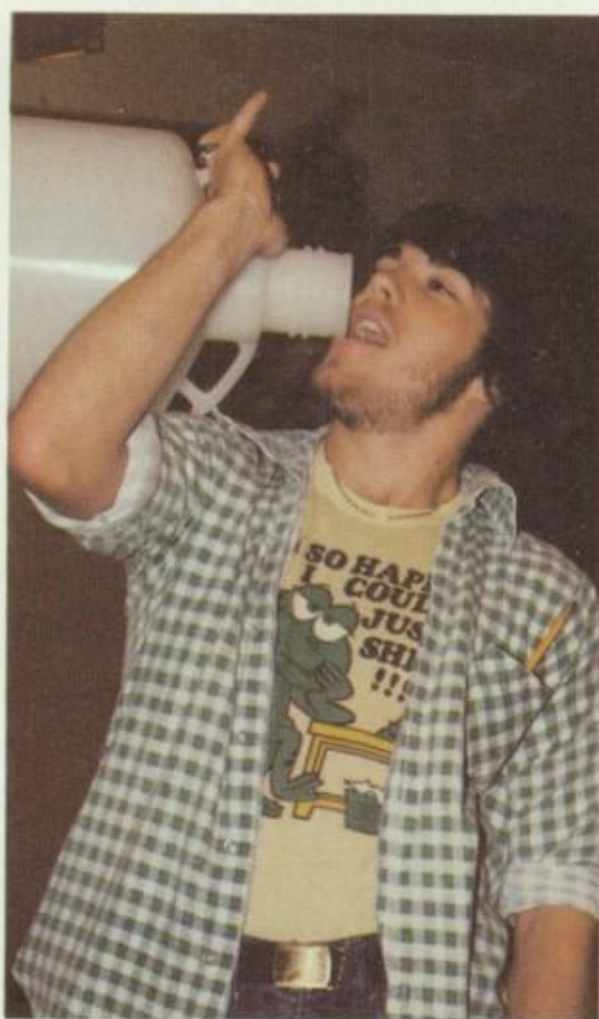

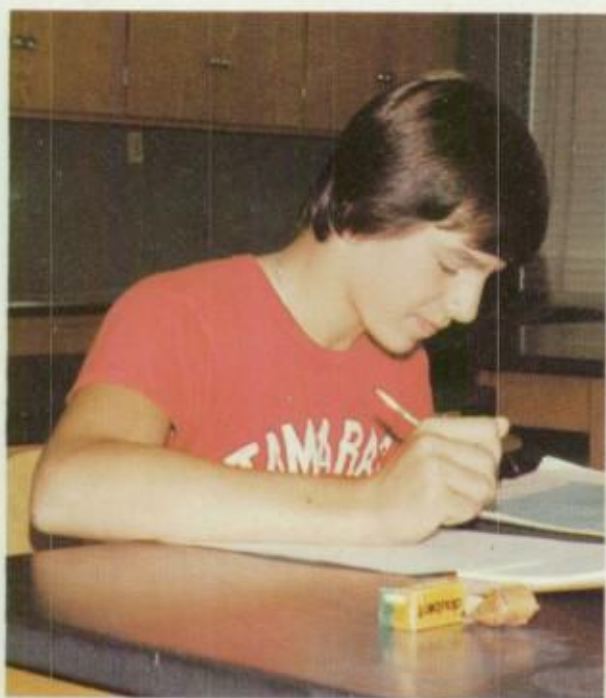

*Smiles we gave to
one another, for the
way we were.*

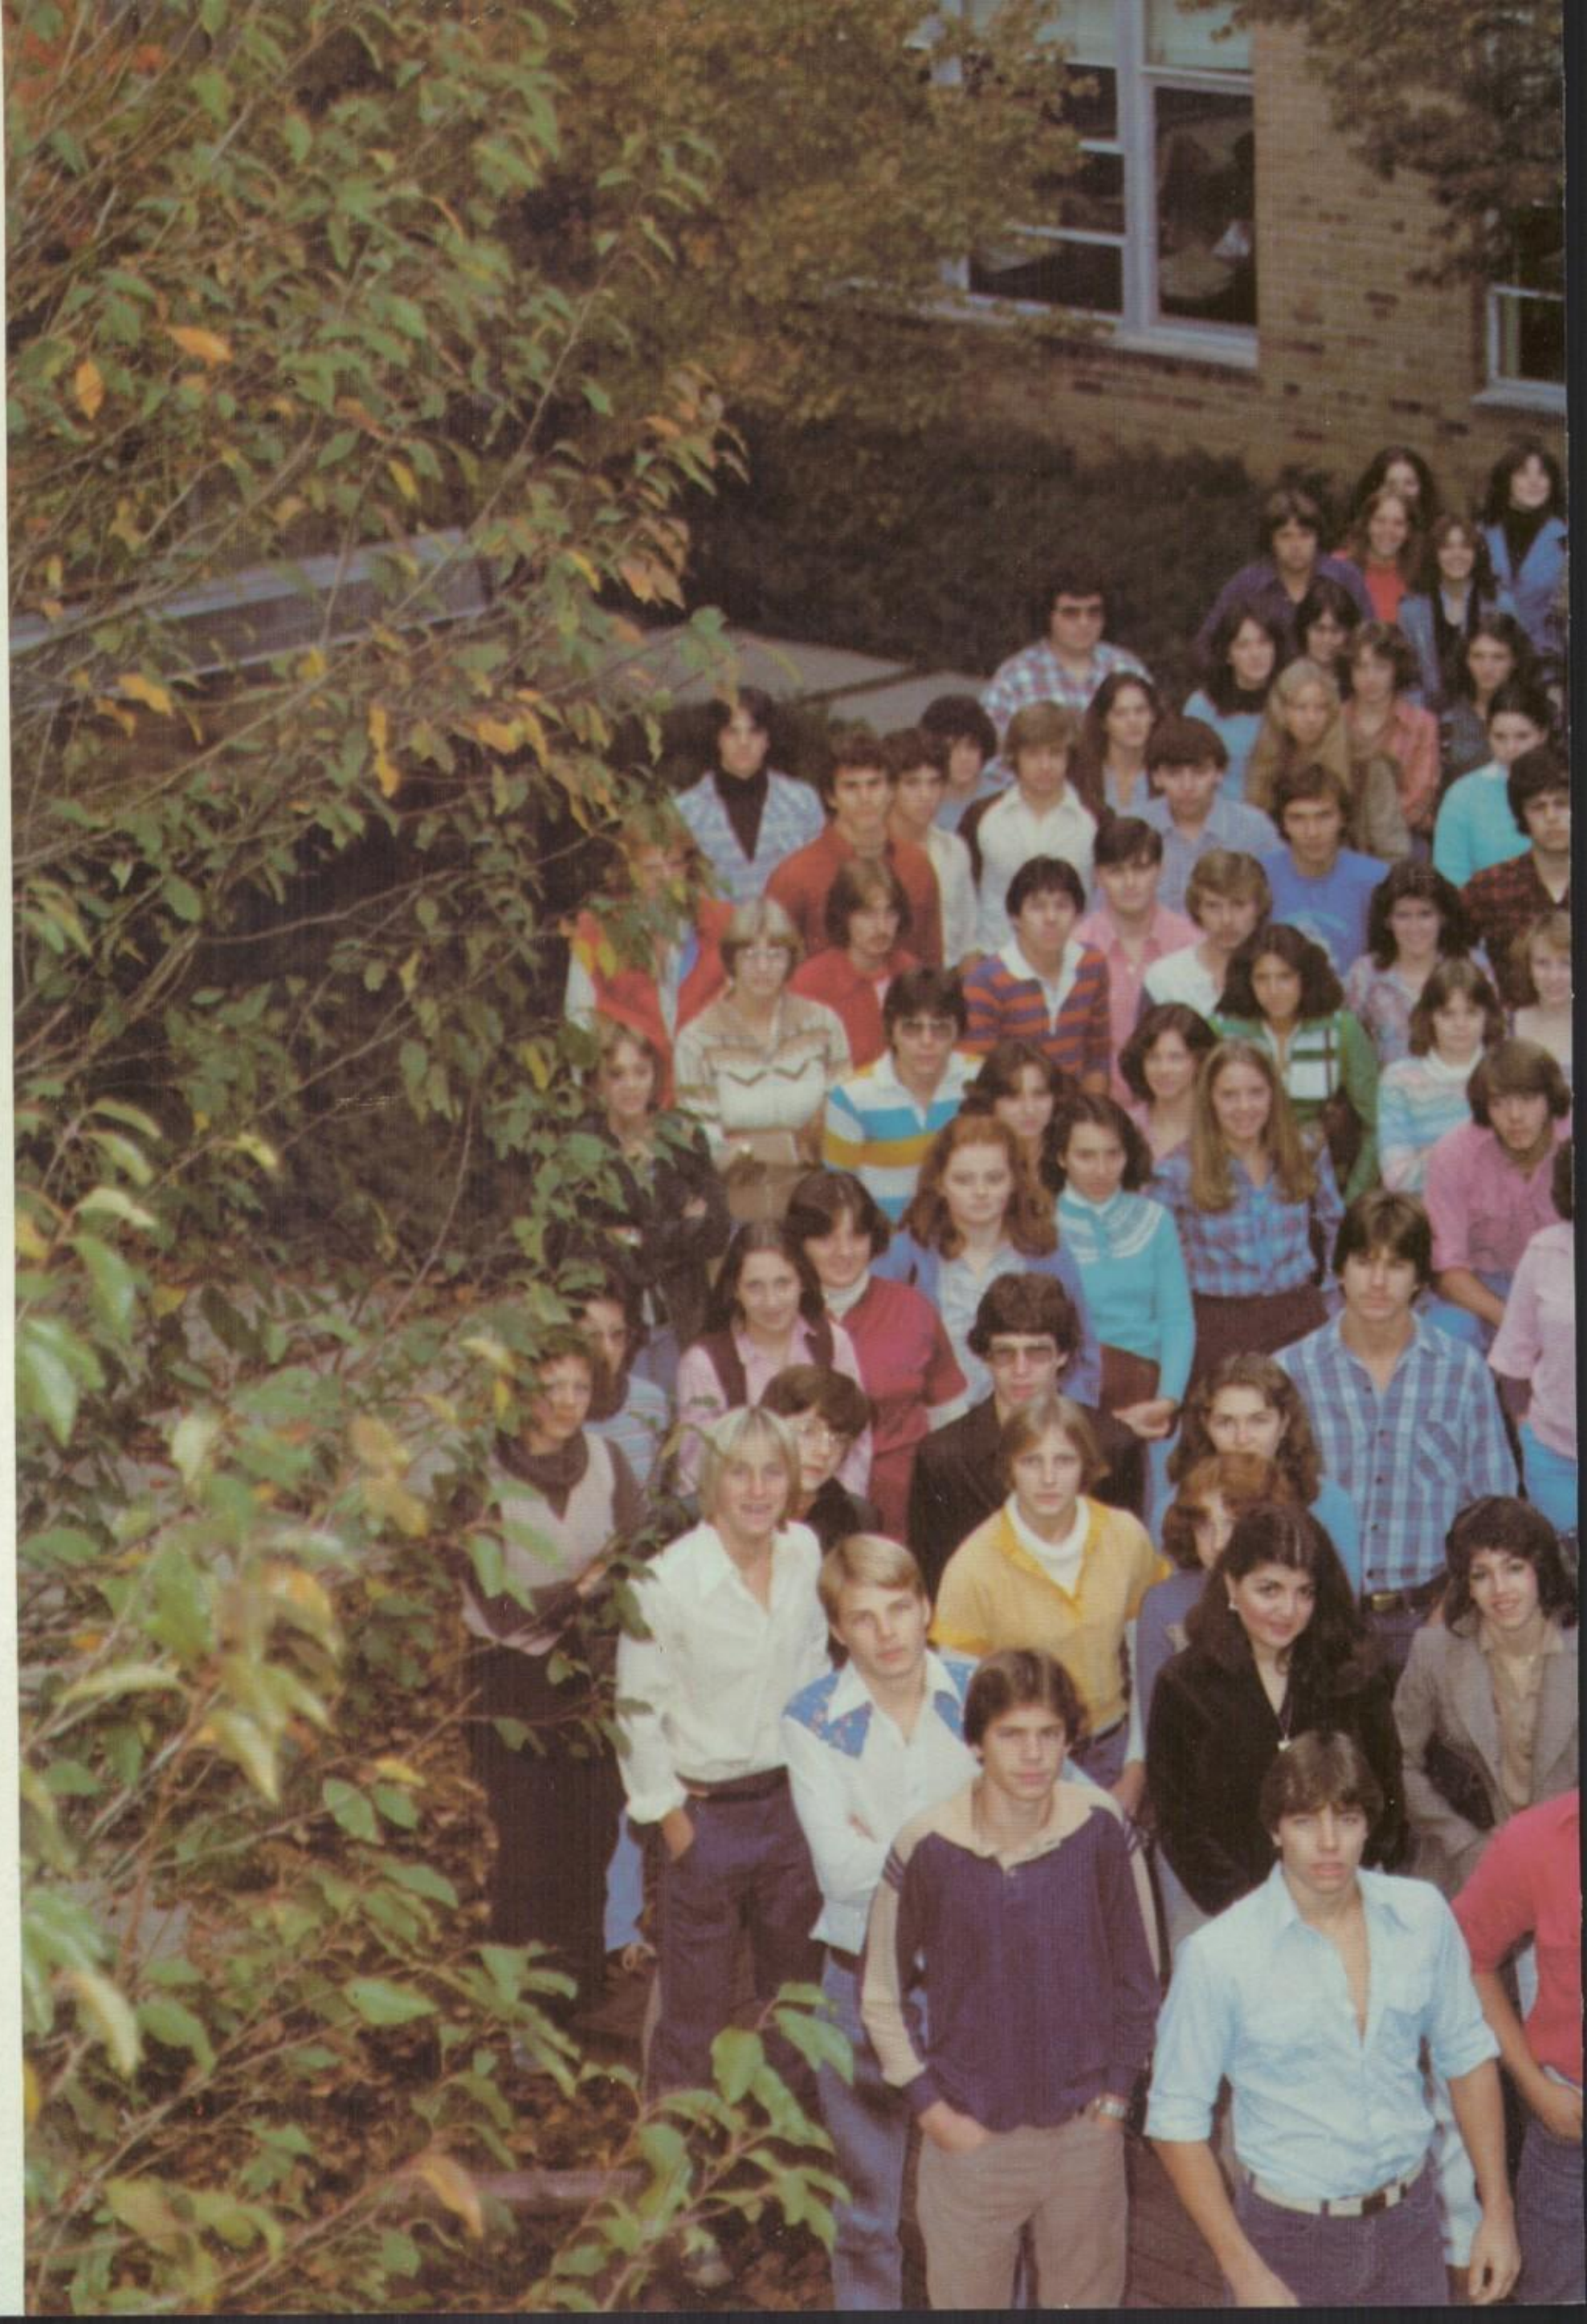

*Can it be that it was
all so simple then,*

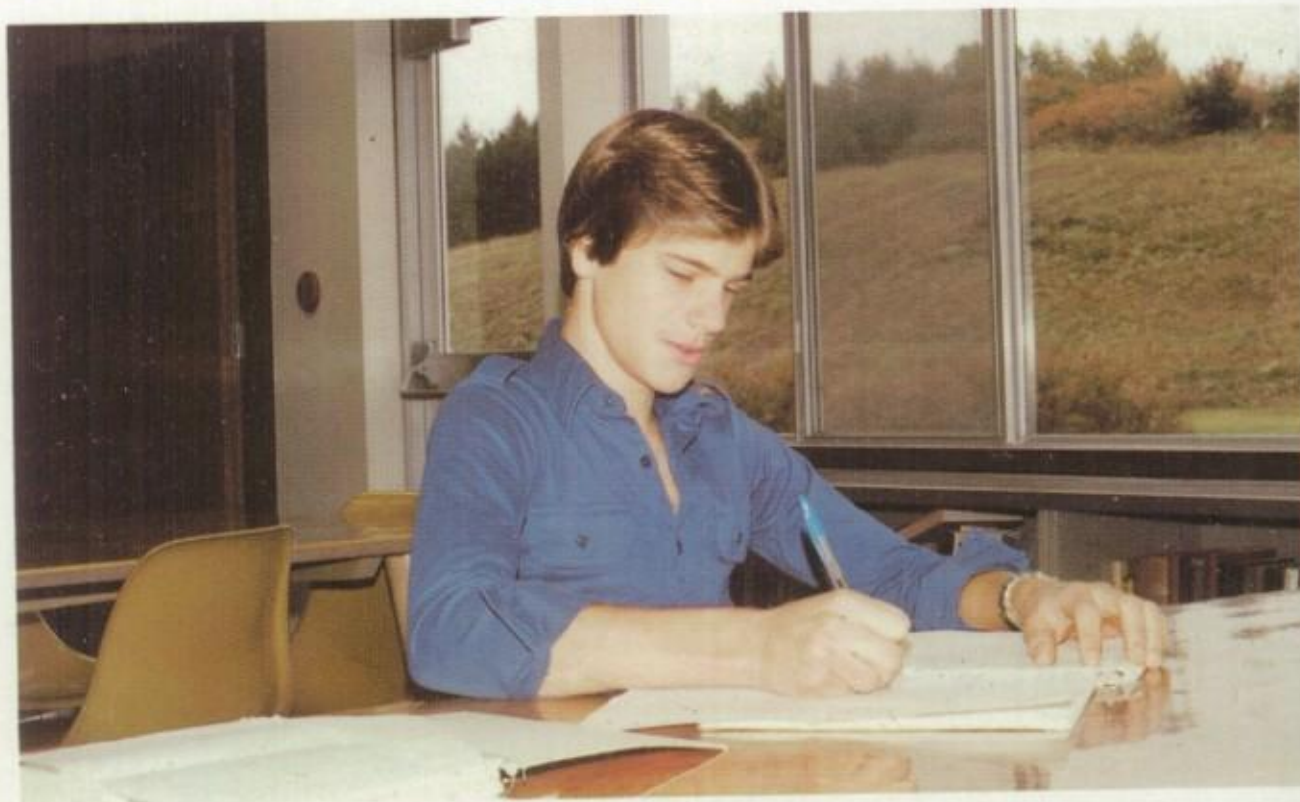

SENIORS
1980

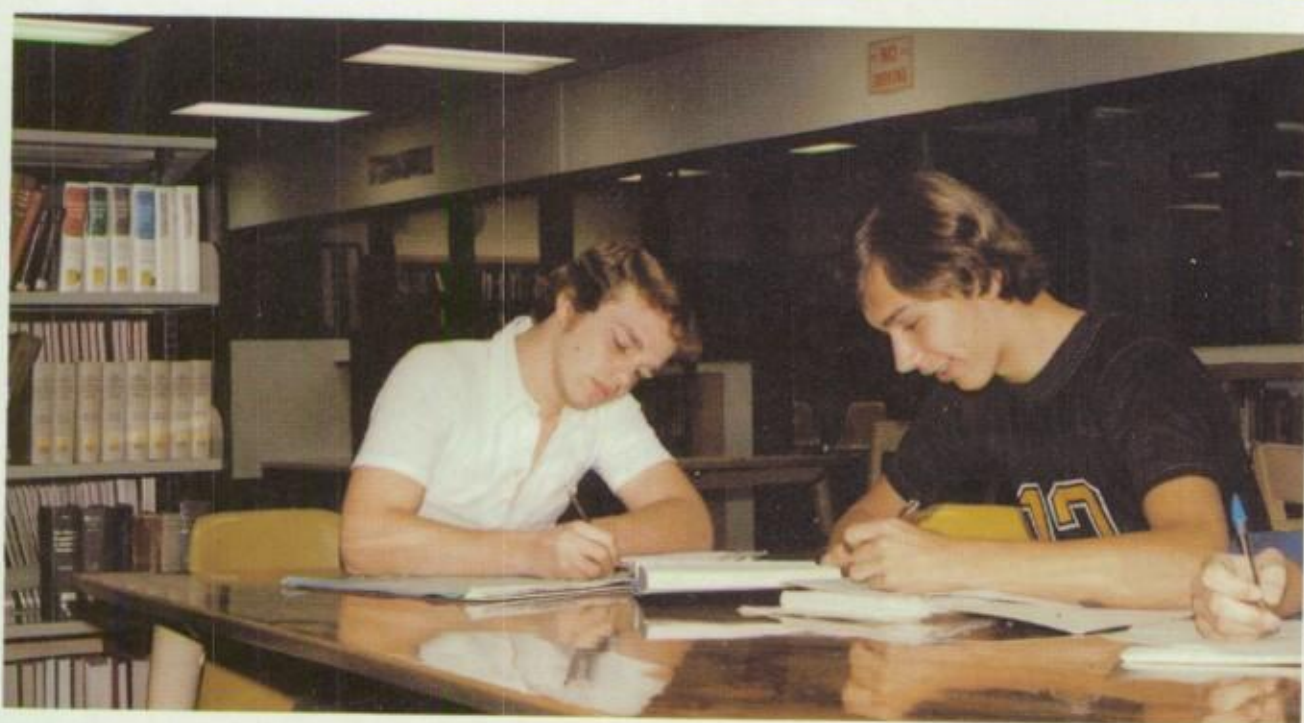

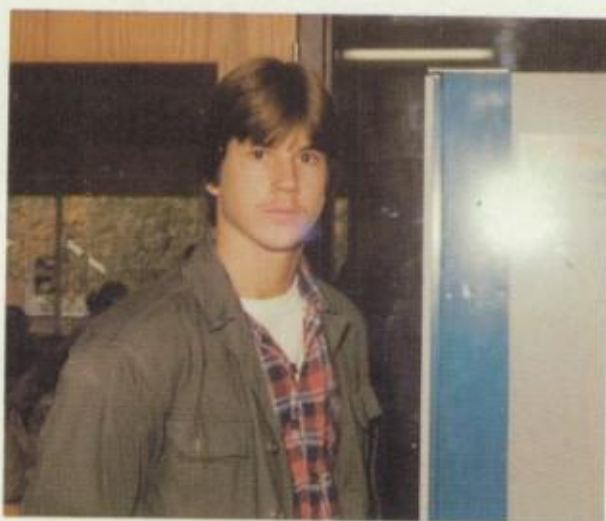

*or has time rewritten
every line?*

If we had the chance to do it all again,

*Tell me, would we,
could we?*

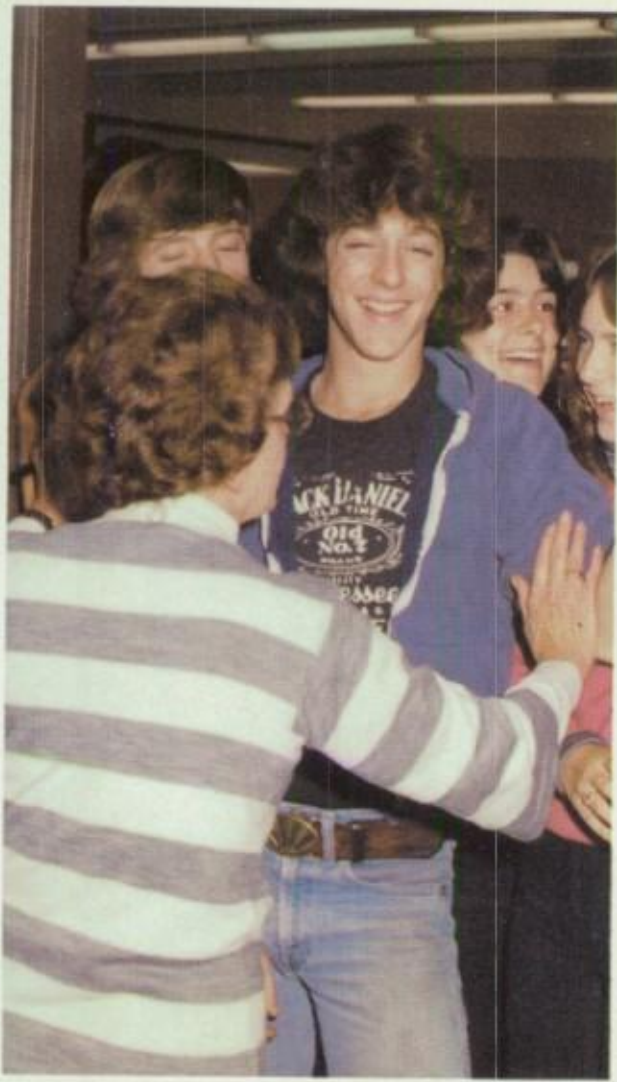

*Memories may be
beautiful and yet,*

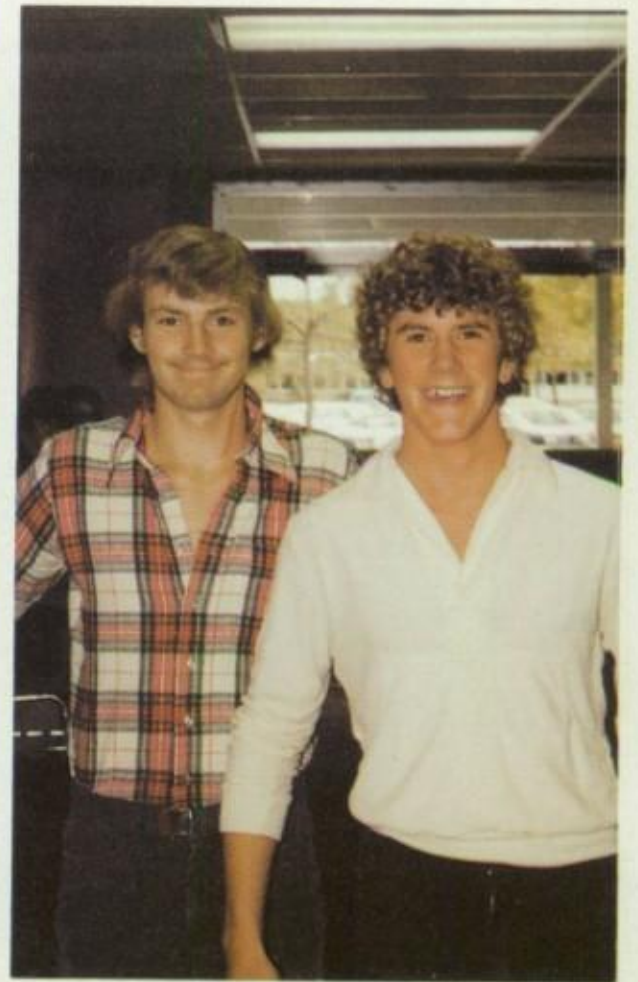

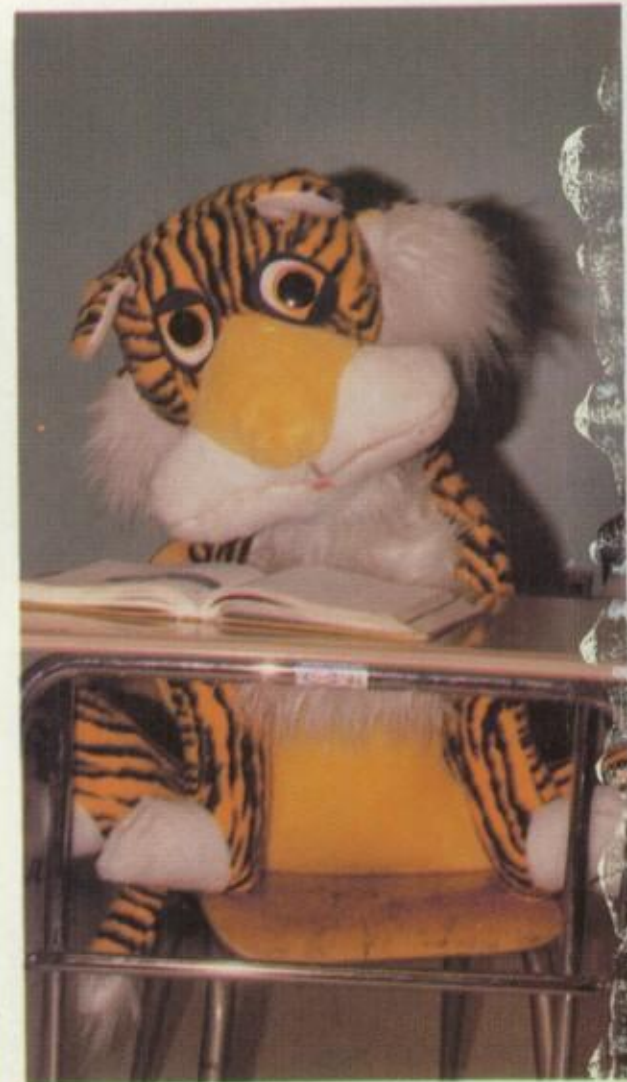

*What's too painful to
remember, we simply
choose to forget.*

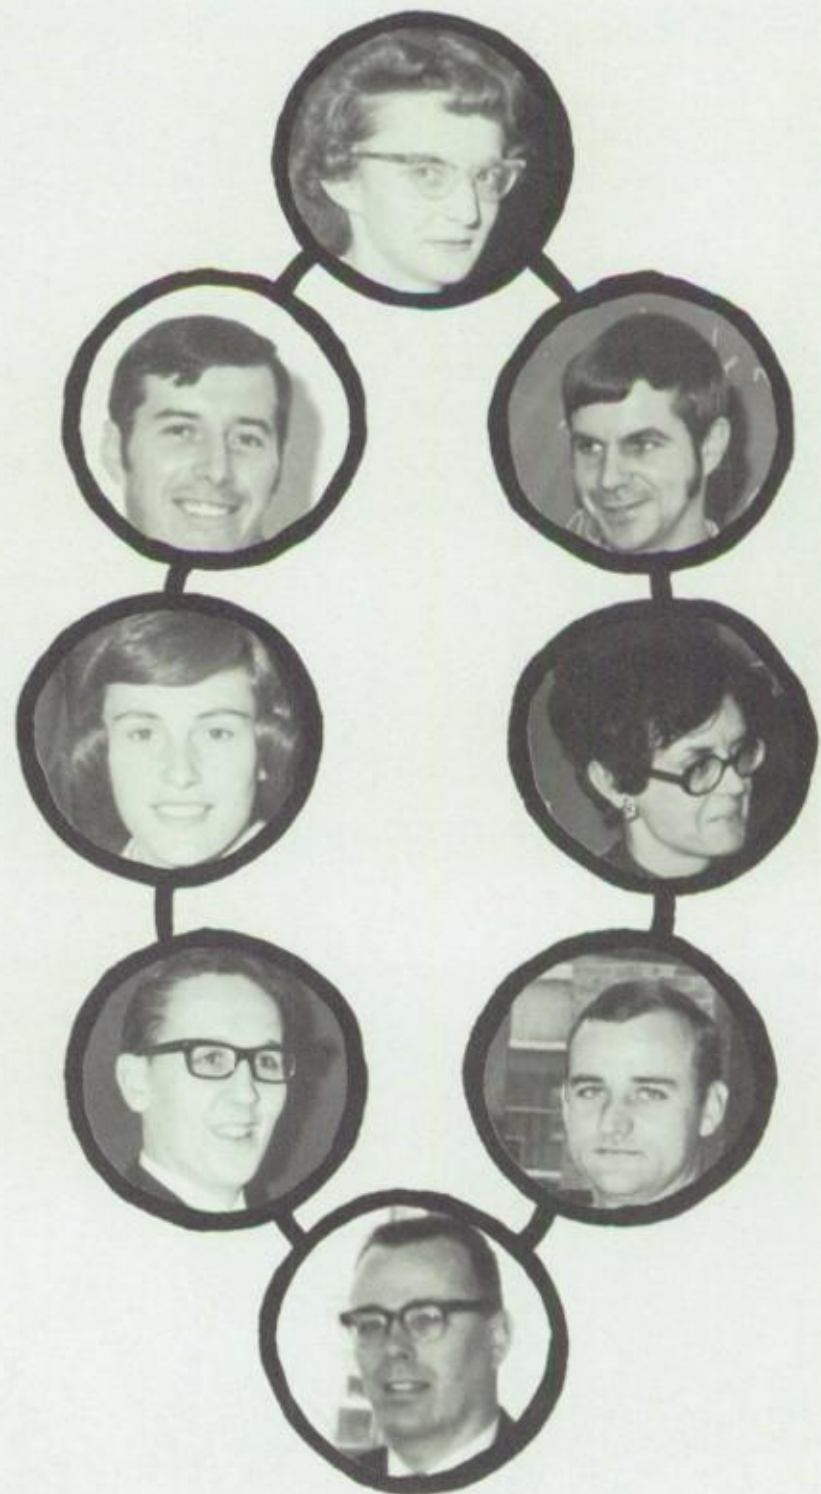

So it's the laughter, we will remember,

*Whenever we
remember, the way
we were.*

Mr. Corr

Four years ago the class of '80 entered the doors of a place called Tamarac. As freshmen, we entered a bit nervously but ready to meet the challenges of high school. Mr. Hamer, one of the three principals we would encounter, introduced us to the school. Just when we thought we were getting used to the routine, school was closed for two days while schedules were being straightened out. The problem quickly passed and we set out to raise money for our class. With the help of our advisor, Ms. Isaacs, we sold candy bars. Although we ate more than we sold, we still turned a profit.

In the spring of the year the musical OKLAHOMA was presented by the chorus and we all had a lot of fun. At the end of the year we sponsored two movies, then looked ahead to the coming fall.

Our sophomore year started off great, especially since we weren't freshmen anymore. We were starting school off with a bang and also with a new principal, Mr. Murray. We still haven't figured out what it is that drives principals away from Tamarac, but since we are the only class to have had three different principals we have a sneaking suspicion it might be us. Nevertheless our sophomore year also gave us a new advisor, Mr. Corr. Mr. Corr worked hard to help us organize dances and other activities that we held throughout the year. We especially enjoyed the success of our football and baseball teams who both won championships. Some of us went on an exciting trip to Cape Cod sponsored by the Biology Club to finish out the year.

The excitement and fun of our junior year began early. First we held our ring dinner at the Country Den, and then sponsored a very successful dance afterwards. Then came time for the annual Junior Magazine Sale. We had a great rivalry going with the senior class to see if we could raise as much money as they had the previous year. Needless to say we did.

There were special classroom memories. Who can forget the agonized look on someone's face as they dropped a beaker in Mrs. Pratt's Chemistry class, or Mr. Pascucci rambling on about American History despite the fact that most of the class was asleep.

In the spring the prom "Always and Forever" was held at Germania Hall. As the year was drawing to a close, Mr. Murray left and took our senior privileges with him. The year ended and we all headed for Lloyd's Studio for our senior pictures.

Finally we are seniors. Triumph '80 was organized and everyone set out to raise money in an advertising campaign. Again we started off with a new principal, Mr. Goodale. We also got back the senior privileges we had lost.

During the first part of the year we held dances and other activities. We all helped to raise money for the sports program. There were a lot of fun times like the Pops Concert put on by the chorus, and we especially enjoyed the Underoos commercial put on by a group of senior guys.

We also started a tradition by selling carnations right before Christmas vacation. We'll always remember sneaking off to MacDonalds and trying to avoid teachers on hall duty. Once again this year we continued the tradition of selling carnations on Valentine's Day. There's still a lot more to do before that golden day in June. There's class night, baccalaureate, and the senior trip, and finally graduation.

It's all gone by so fast but we've grown and matured in many ways. We've learned responsibility and confidence. All we can say is remember us Tamarac as we have remembered you.

Placid cold, but no snow

LAKE PLACID, (AP) — Snow flurries and cold temperatures prevailed in the Olympic region Saturday morning, but the National Weather Service predicted no major accumulation of snow.

Snow coming?

DESPITE long-range predictions by Washington specialists that snow will be falling our way in the next five days, and anything beyond that is "game," according to Kenneth LaPenta of the Weather Service at the Albany County Airport.

So far, this has been the area's fourth least snowy second driest winter recorded for at least a century, LaPenta. Roughly 6.4 inches of snow is recorded season to date, compared to a normal average of 10 inches for the Capital District.

How often we wish for another chance
 to make a fresh beginning,
 A chance to blot out our mistakes
 and change failure into winning —
 And it does not take a special time
 to make a brand new start,
 It only takes the deep desire
 to try with all our heart
 To live a little better
 and to always be forgiving
 And to add a little "sunshine"
 to the world in which we're living —
 So never give up in despair
 and think that you are through,
 For there's always a tomorrow
 and a chance to start anew.

Helen Steiner Rice
